

Environmental Review Training

ENVIRONMENTAL TRAINING

This course provides guidance to tribes and TDHE's in meeting the environmental compliance requirements under NAHASDA. The law requires the tribes and TDHE's follow the regulation at 24 CFR Part 58 or Part 50. These regulations will be covered in detail. The National Environmental Policy Act (NEPA), as well as other related statutes, regulations, and executive orders will be discussed. Participants will learn about the duties of the responsible entity, the certifying officer, the tribe, and TDHE. Procedures for requesting a release of funds maintaining environmental review records will also be covered.

DETAILS:

Who Should Attend: Indian tribes, TDHE's, Staff who are involved with the environmental review process.

Registration: The course is FREE. Pre-registration is required due to materials and space limitations. Fax registration form to 602-379-3101 or call Diane Burgins at 602-379-7201

About The Trainer:

Catherine Dymkoski has over 30 years of environmental experience working with the National Environmental Policy Act, and related Federal laws and authorities. She is also an expert in HUD's environmental compliance regulations because of her years of employment as an Environmental Officer with the Department. She received a Bachelor of Science degree in Wildlife Management from Humboldt State University in California. She retired from Federal service in 1999---13 years with USDA Forest Service, 12 years with HUD, and has been employed since then as an environmental consultant.
